

ED 562-1588

27 APR 1982

Mr. Donald G. Bishop
Director, Washington Seminar
Maxwell Graduate School of Citizenship
and Public Affairs
Syracuse University
Syracuse 10, New York

Dear Don:

I feel quite sure that we will be able to participate in your Washington Seminar and suggest your date of Tuesday, 19 June, from 10 to 11 o'clock. I qualify complete assurance only because of your mention of the foreign students in your group. If you could exclude the foreign students and restrict the group to American citizens, I believe that the Director may agree to such a briefing as we discussed in Philadelphia. Another thing that I would appreciate very much to have from you as soon as your group make-up is determined, is the full name of each of your students who would attend our briefing.

Don't you think that it would be a little break in the briefing routine if you were able to bring your group out to the new building? And I believe that from our point of view it would make a better briefing.

Will you communicate directly with the CIA Briefing Officer, Mr. [redacted] who is a part of my faculty in the Office of Training. He will make all arrangements for whatever it is decided we do. Don't hesitate to write him, or telephone him on [redacted]

The recent Philadelphia meeting of the Academy of Political and Social Science was somewhat discouraging to me in one way but encouraging in another. I found to my satisfaction that I knew almost as much about the subject as the lecturers, but was therefore disappointed that I didn't get out of it as much as I had expected to.

Sincerely yours,
